

School Kits

During the summer months, the Social Ministry Committee will collect school items to be shipped abroad via Lutheran World Relief. A school kit may provide the only supplies for children returning to school after the disruption of war. School kits help parents continue their children's education, even while living in a refugee camp. A school kit may also be used in adult literacy classes.

You can help by bringing in any of the items from the list below and putting them in the baskets in the Narthex. ***Please bring only the things on the list as the kits need to include the same items.***

The following items are included in each school kit:

- Padded or spiral notebooks of ruled paper approximately 8" X 10-1/2" totaling 70 - 200 sheets (no loose-leaf paper)
- A blunt scissor (safety scissors with embedded steel blades work well)
- A 30-centimeter ruler, or a ruler with centimeters on one side and inches on the other
- Pencil sharpener
- 6 new, unsharpened #2 pencils with erasers
- An eraser approximately 2-1/2" long
- 12 sheets of construction paper in assorted colors
- A box of 16 or 24 crayons
